

MASSAGE

Calluna Signature Massage

Delight yourself in our signature massage, completely tailored to your needs. After your provider consult, your retreat will begin with reviving aromatherapy and personalized massage techniques. (50/80/110 Minutes)

Mellow-Mama-Massage

Ideal for expectant mothers past their first trimester, this nurturing massage will nourish the body supporting new life. Your caring provider will use specialized prenatal therapy that will increase circulation, melt away stress and alleviate distention. (50/80 Minutes)

Rider's Recovery

Revitalize the body with our most invigorating massage which relieves the most difficult aches and pains. Your session will include a combination of specialized stretching techniques and customized pressure to ease inflammation, thus improving blood flow and relieving tense muscles. (50/80/110 Minutes)

Stone Fusion Massage

Your journey begins with hand selected basalt stones. A perfect combination of heat and gentle pressure melt away muscle tension leading to the ultimate state of calm. Himalayan salt stones infused with minerals will replenish the body with nutrients and lightly exfoliate the skin. Our stone fusion massage will transport you into a realm of pure relaxation and comfort. (50/80 Minutes)

Couples Massage

Our private customized massage allows you to relax, renew and enjoy your time with one another. Your providers will incorporate a variety of massage techniques to create a truly unique and memorable experience. (50/80/110 Minutes)

Reflexology

This ancient alternative therapy is the application of pressure to specific points on the feet. This relaxing treatment will alleviate stress and restores the flow of energy throughout. Reflexology is based on the theory that areas of the foot correspond to organs and systems of the body. (50 Minutes)

SKINCARE

Calluna Signature Facial

Our signature facial is exclusively tailored to your skin's unique needs. Your esthetician will perform a detailed evaluation of your skin and customize your treatment plan. (50 Minutes) Also *Deluxe Calluna Signature Facial - inquire about details (50 Minutes)*

Ultimate Collagen 3D Lifting Facial

Restore the skin's suppleness with triple the elasticity. This regenerative treatment increases density and minimizes wrinkles and fine lines, all while preserving optimal moisture. (80 Minutes)

Energy of the Glaciers Facial

This treatment revitalizes and hydrates the skin by stimulating cell oxygenation and dissolving fatigue. With an energizing collagen mask treatment and relaxing massage focused on the vascular system, your complexion will feel radiant. (80 Minutes)

Discovery Facial

The Discovery facial energizes the skin, revealing a healthy dewy complexion. The vigor and energy provided by the dual energizing and relaxing massage gives the complexion a fresh and revitalized look. (50 Minutes)

HydraFacial® Experience

This medical-grade facial uses advanced technology to instantly resurface, cleanse and hydrate skin. The deeply cleansing hydra-exfoliation uses a gentle vortex tip applicator and infuses the skin with powerful antioxidant serums. 80-minute option features LED light therapy. (50/80 Minutes)

BODY TREATMENTS

Milk & Honey Nourishing Wrap – *Hydrates. Nourishes. Restores.*
