IMPORTANT INFORMATION CONCERNING SPLITTING/COMBINING & ADD/SCRATCH POLICY IN ALL "A" RATED HUNTER SECTIONS: Should entries warrant, all "A" rated hunter sections will be split or combined following USEF rules and will be done so at the close of the horse show office on the evening preceding the first class in each section, therefore entries **MUST** be completed for "A" rated hunter divisions accordingly to be considered. Any post-adds received and accepted after this time will not be considered in respect to the splitting/combining numbers. There will be no exceptions to this policy. Same day scratches and/or "no-shows" at the gate in all "A" rated hunter sections will forfeit their entry fee unless a *Vet Scratch Certificate* from the official horse show veterinarian is received prior to the first class of the section in question. Should same day scratches or no-shows result in insufficient entries to keep sections split, sections will be combined.

Adding Classes: Can be done directly through HorseShowing.com or in horse show office until 4pm the day before the class is scheduled. Please be sure to enter classes in a timely manner. Scheduling cannot accommodate same day adds. In the event an add after 5pm the day prior is approved by management, a \$25 late add fee will incur.

*****RDNE (Rode Did Not Enter):** Entries that show in a class that was not properly entered either online, by inclusion on your original entry form, or a properly filled out add slip/online add PRIOR to the class involved will be charged a \$50 RDNE Fee.

Scratching Classes: Scratches can be done directly in your

HorseShowing.com account any time until the start of the class except "A" rated hunters cannot scratch same day. Informing the starter that you do not intend to participate **WILL NOT** scratch the class. A horse on the grounds scratching all classes will become a non-showing horse regardless of the reason and will incur all fees associated with a non-showing horse. After showing in the first class of any "A" rated section requiring a section entry fee, no refunds will be given for scratching any classes within the section for any reason.

Non-Showing Horses: All horses on the grounds are required to have a signed entry form in the office, whether they are showing or not. This entry form must include signatures and a complete description of the horse. All horses must present health papers upon arrival to the Show Office.

Award Ceremonies: Riders are required to ride for awards in all Classics/Grand Prix, unless notice of ceremony cancellation has been given. Failure of a rider to be present may result in forfeiture of all prizes won in the class. Competition management reserves the right to require participation in any tie-breaking procedure in order to determine a winner of a competition or championship. Refusal to participate in the tie-break procedure (if required) may include, but is not limited to; forfeiture of prize money and/or elimination from the competition. The decision of management is final.

Payment Method: Show Fees may be paid by cash, check drawn on an American bank, or any major credit card (3% fee).

Returned Checks/Declined Credit Cards/Credit card chargebacks: Checks returned by the bank or declined credit cards or chargebacks on credit cards transactions for any reason are regarded as a serious offense and will be handled as follows: A 10% penalty will be assessed for every returned check or credit card chargeback (Minimum of \$50). Documentation should consist of one of the following methods mentioned below. The frequency of vaccine administration should be per the vaccine manufacturers' or veterinarian's recommendations. It is recommended that vaccines are administered by or under the direction of a veterinarian. 2. The unsafe use of personal electronic transport devices, as determined by the competition officials and management in their sole discretion, that do not require a driver's license to operate, including but not limited to segways, hoverboards, and single wheeled scooters is prohibited on competition grounds. Operating such devices in areas where people gather may be deemed "unsafe use" if there is a risk of harm to others. If the operator of the device is a minor, the parent/legal guardian or individual who signs the entry blank as a parent or guardian of a minor operating the device in violation of this rule is accountable and may be subject to penalties. - Horses must be recorded with the Federation and registered with USHJA.
- Horses must be enrolled or pay a non-enrolled horse fee to participate in a USHJA International Hunter Derby.
- The same horse may not compete in the USHJA International Hunter Derby and the National Hunter Derby at the same competition.
- Horses entered in this class are not required to show in any other hunter or jumper classes at the horse show.
- Attire: Refer to HU107 in the USEF Rule Book for current specifications.
- In accordance with HU174.14 the same horse-and-rider combination must compete in both rounds of the International Hunter Derby.

Enrollment Policy

- Horses must be enrolled to participate in a USHJA International Hunter Derby, to be eligible for Regional Awards, to be included on the USHJA IHD Money Won list and to compete in any Derby Championship.
 1. Upon enrollment in the Derby Program, horses' earnings, from date of enrollment forward through November 30, 2024, will be included on the USHJA International Hunter Derby Money Won list and count toward Regional Awards. Horses must be enrolled in the program before competing in a Derby, if they wish the money won in that Derby to count toward standings, regardless of the start date of the competition.
 2. Money (and points) won by horses not enrolled in the Derby Program will not be included on the USHJA International Hunter Derby Money Won list or Regional Award Standings.

3. Year End Regional Award Standings

- Owners must declare their horse's region upon enrollment of the horse and the region may not be changed during the Derby Series year.
 - Owners may choose one region in which to declare their horse(s); the region declared does not have to be the owner's home region.
- **Annual Enrollment Fee**

 1. Horses may only be enrolled online and it is the exhibitor's responsibility to enroll a horse in a timely manner in order to be eligible to receive credit for money won. There will be no exceptions allowed regarding enrollment dates for program eligibility.
 - **Non-enrolled horse fee**
\$150 per horse entered in an International Hunter Derby without current enrollment. There is no limit to the number of IHDs a horse may compete in without enrollment. The non-enrolled horse fee applies to every IHD entered unless/until enrolling. Any non-enrolled horse fee paid does not credit towards an enrollment fee for the current competition year
 - **Stabling/Schooling**
All horses competing in the Derby class must be on the competition grounds a minimum of 24 hours prior to the start of the first round of the class. All horses will be monitored and must remain on the competition grounds until the horse is finished competing in the Derby class.
