Dressage Finals presented
by **Adequan**

USDF Adult Amateur
Equitation Regional Final
Class presented by
Big Dee's Tack and Vet Supply

Welcome to the 2024 Great American Insurance Group/USDF Regional Championships! Congratulations on qualifying for this very important competition. Whether this is your first time qualifying or you have competed in a number of Regional Championships before you can be proud of your accomplishment.

Thanks to the continuous support of the Great American Insurance Group, the Great American/USDF Regional Championships have become an institution serving Adult Amateurs, Open and Junior/Young Riders. They can be part of the bigger goal of earning an invitation to the

US Dressage Finals presented by Adequan or just as importantly they can be a stand-alone goal. Either way your participation is valued and appreciated.

Putting on a Regional Championships can be a major undertaking and requires a number of volunteers. Please be kind to them and remember to thank them for giving their time. If you are planning on the US Dressage Finals in November please remember to file your declaration!

Good luck to everyone and I hope that you find the Regional Championships to be an enjoyable experience.

Thank you to our show managers, staff, volunteers and sponsors, who are all part of the small village who make this show possible. Finally a big pat and a treat for our wonderful horses, for they are the ones who got us here!

What is Dressage?

The word dressage sounds like massage- and comes from the French word dresser, to train. It's an Olympic equestrian sport, yet a basic training discipline for any horse.

Dressage principles are a logical, step-by-step progression from simple to increasingly complex movements. More and more is asked of the horse as it becomes mentally and physically ready to respond to these demands.

The graceful movements performed in competition may look effortless but are the result of years of training. The rider's aids (weight, leg, and hand cues) should be imperceptible. A squeeze of the calf, a closing of the fingers, a shifting of the rider's weight in the saddle should be all that is necessary to tell the horse what to do.

Dressage requires the horse and rider to combine the strength and agility of gymnastics with the elegance and beauty of ballet. The result is truly the best blend of sport and art.

Like any sport, watching dressage is more interesting the more you know about it.

Dressage Tests

Dressage tests used at shows are divided into graduated levels for horse and rider, from the most basic walk/trot to the Grand Prix test that is the same test used in the Olympics.

The test levels are Introductory, Training, First level through Fourth level, Prix St. Georges, Intermediate I and II, and Grand Prix.

Each test is divided into separate movements. The riders guide their horses from one letter in the arena to another, through a series of movements at the walk, trot, and canter.

Horses and riders are judged on how well they perform certain movements that match each

horse's level of training. The judge gives a score for each movement on a scale of one to ten, ten being the highest. The scores are added together and then divided by the total number of possible points to get the percentage

score for the ride. It will help you understand what is going on if you can get a copy of the test you are watching.

Dressage Movements

Some of the movements in dressage are:

- Extensions - the horse will lengthen its stride.
- Half Pass - the horse moves forward and sideways in the trot or canter, bending his body toward the direction of the travel.
- Leg-Yield - the horse moves forward and sideways in the trot, bending his body slightly away from the direction of travel.
- Passage - a trot that looks like each step is held for a second in the air.
- Piaffe - trotting in place. The horse steps from one diagonal pair of legs to the other with an even rhythm.
- Pirouette - a 180- or 360-degree turn in place at the walk or canter.
- Shoulder In - a slanted sideways movement with the shoulder leading.
- Tempi Change - flying changes at the canter performed every one, two, three or four strides. The horse will appear to skip across the arena at a canter.

Additional Thoughts

1. Less is More

In dressage, the less you see the rider do, the better, because that means he is communicating with his horse and his horse is attentive - they are working as a team.

2. Good Figures

Circles are round and lines are straight, a precept true in geometry and dressage. A 20-meter circle should go from one side of the arena to the other, a 10-meter circle only half way across. A horse should not weave on a straight-line movement.

3. Tempo and Rhythm

Rhythm is the repetition of footfalls. A sound dressage horse has only three correct rhythms - four-beat walk, two-beat trot, three-beat canter. Tempo is the speed of repetition of strides. Every horse should have a consistent tempo throughout the test that is controlled by the rider, a tempo so obvious you could sing a song to it.

4. Naughtiness

Horses, like people, have good days and bad days and days when they are just feeling a little too good. Naughtiness in horses can be exhibited in bucking, rearing, tossing of the

head, or even jumping out of the dressage ring.

5. Tension

During a test, the horse needs to remain calm, attentive and supple. If the horse gets tense, he gets rigid through his neck and back, which can exhibit itself in stiff movement, ears that are pinned back and a tail that swishes constantly and doesn't hang arched and quietly swinging.

6. Rider Seat and Position

The rider should sit upright quietly and not depend on his whip, spurs or voice to have a nice test. Riders who use their voice have points deducted off their test score for that movement.

7. Whipped Cream Lips

When a horse is relaxed in his jaw and poll (the area just behind his ears), he releases saliva, and you might see white foam around his lips and mouth. That is a good sign as it means he is attentively chewing on his bit and comfortable in his work. The amount of white foam varies from horse to horse.

8. Freestyles

Most of the classes use set tests, but there are also musical freestyles levels where riders perform freestyle movements with choreography and music of their own choosing. This can be especially fun to watch for people who aren't yet familiar with dressage shows.

9. Scary Stuff

Dressage shows tend to be very quiet, so the horses will notice things and react suddenly more so than they will in a busier atmosphere. Allow plenty of room for horses and never approach a horse without first alerting the rider (the horse could run or kick out suddenly). Use caution with noisy garbage or shaking out big floppy items like an umbrella, blanket or rain poncho.

10. SSSSHHHH!

Focus is important during any test, from Training Level to Grand Prix, so remember to be courteous and follow the rules by staying about 15 meters (45 feet) back from the competition ring and remaining as quiet as possible during rides. If you have any questions about where you may stand or sit, check with the ring steward.

4 STEPS TO HEALTHY HOOVES

by SmartPak

Every rider has heard the saying “no hoof, no horse.” The quality of your horse’s hooves can be influenced by a number of factors, including these four key areas: regular professional maintenance, environmental management, exercise and activities, and proper nutrition.

Why hoof health matters

There’s more to your horse’s hooves than meets the eye. Your horse’s outer hoof wall surrounds, protects, and supports bones, tendons, ligaments, cartilage, nerves, and an intricate vascular network. These vascular pathways — composed of arteries, veins, and capillaries — function as a key element in maintaining the health of the foot.

Weak, unhealthy hooves can cause a variety of problems, from unsightly chips, cracks, and crumbling, to unsoundness and discomfort. But healthy hooves take a long time to grow. That’s because just like our own fingernails, the hoof wall is mostly composed of dead tissue, so it can’t mend and heal. Instead, damaged sections have to be regrown and replaced, and because your horse’s hooves grow from the hairline down at an average rate of $\frac{1}{4}$ ” per month, completely growing out a healthy hoof wall can take up to a year! That’s why it’s a smart choice to support healthy hooves before your horse’s hooves show signs of weakness.

1. Regular, professional maintenance

In the artificial environments we provide, horses simply can’t maintain their hooves as they would in their natural environment, and poorly maintained hooves can have far-reaching effects. A long, unbalanced hoof will negatively impact your horse’s way of going, putting undue strain on the joints, tendons, and ligaments of the entire limb. So it’s important to think of hoof care as a major part of your horse’s overall health and wellbeing — after all, it’s called “horse shoeing,” not “hoof shoeing,” for a reason!

Whether your horse is barefoot or shod, working with a knowledgeable hoof care professional is essential to maintaining healthy, well-balanced hooves. And like most things in your horse’s life, consistency is key. That’s why the first step to supporting optimal hoof health is finding a hoof care professional you trust, setting up a regular maintenance schedule, and sticking to it!

2. Environmental management

Your horse’s hoof is equipped to manage natural, gradual fluctuations in moisture. However, between the barn, the pasture, the ring, and the trails, you’d be surprised at how many times your horse’s hooves go from wet to dry and dry to wet every day. Unfortunately, frequent shifts from one environment to the other can cause the hoof wall to rapidly expand and contract, which may lead to cracks and other structural problems.

In order to help your horse put his best foot forward, try to limit changes in moisture level as much as possible. For additional support, try a topical that actually helps stabilize moisture levels in the hoof, like a hoof hardener or a hoof gel instead of turning to a standard hoof moisturizer.

3. Exercise and Activity

You probably know that turnout and exercise have many benefits for your horse, but did you know that one of the benefits is supporting hoof health?

Your horse’s hoof surrounds, protects, and supports bones, tendons, ligaments, cartilage, nerves, and an intricate vascular network. These vascular pathways — composed of arteries, veins, and capillaries — function as a key element in maintaining the health of the foot. That’s because the strength of the equine foot depends on nourishment provided by good circulation. By supporting healthy circulation, you’re ensuring nutrient-rich blood is pumping throughout the foot.

But how do you support healthy circulation? That’s where exercise and activity come in! In order to promote good blood flow, the frog and the solar (bottom) surface of the foot need to be engaged — in other words, your horse needs to get moving! Research

shows horses in nature graze and move for approximately 17 hours per day, but modern horsekeeping often results in much less activity than that. Maximizing your horse’s turnout time and space is a great first step, but if time and/or space are limited — or your horse is a lazy pasture puff — consider looking for opportunities to up his exercise, including lunging, hot-walking, trail riding, etc.

4. Proper nutrition

Nutrition is another area of hoof health that can’t be ignored. Proper nutrition plays a vital role in helping your horse maintain healthy, resilient hooves, which is why daily support from a supplement is a smart way to support healthy hooves all year long.

Biotin is vital to the growth of strong, healthy hooves due to its role in collagen formation. Research has shown that supplementing with 10–30 mg of biotin per day may help promote growth rate and integrity in poor quality hooves. In addition to biotin, look for supplements that provide the amino acids critical to hoof health. Lysine, methionine, and threonine — which play a vital role in the formation of hoof structures—are essential amino acids, meaning that your horse can’t make them on his own and needs to get them from his diet.

Minerals like copper and zinc have also been shown to support healthy hoof growth and help keep hooves strong. Lastly, remember how in step 3 we talked about the importance of healthy circulation? Well, you can support circulation from the inside, too! Look for a supplement that has ingredients to support blood flow and vascularity, like the amino acid arginine and the B vitamin niacinamide.

Give your horse the solid foundation he deserves

Now that you know four ways that you can help support your horse’s hoof health, take time to protect and maintain them, rather than waiting until there is a problem later. SmartPak offers resources and tips with additional ways to support your horse’s feet at www.SmartPak.com

USDF

UNITED STATES DRESSAGE FEDERATION™

US Dressage Finals Eligibility

The US Dressage Finals is an Invitational competition using the USEF/USDF Regional Championship program to qualify. Qualifying takes place at each of the nine Great American/USDF Regional Dressage Championships, based on either 1) Ranking in a Regional Championship Class or 2) Wild Card Eligibility. Either must be achieved at a Regional Championship in a class and eligible division offered at the US Dressage Finals.

I. Qualification Based on Ranking in a Regional Championship Class:

Champion and Reserve Champion horse/rider combinations for each level and eligible division from each of the nine Regional Championships will be automatically invited, provided the following three requirements are met: US Citizenship; Declaration of Intent completed by the deadline; and earning an eligible ranking in a Regional Championship class.

Note: Beginning in 2023, Freestyle classes at Regional Championships will have two different classes per level, Open/Junior/Young Rider and Adult Amateur. The top two declared horse/rider combinations from the Open/Jr/YR Freestyle class and the top two declared Adult Amateur horse/rider combinations from the AA Freestyle class for each level from each of the nine Regional Championships will be automatically invited.

To be eligible for the Adult Amateur division in the Freestyles at the US Dressage Finals, competitors must check the AA box on the Regional Championship entry form and must provide proof of Adult Amateur status prior to competing in their Regional Championship classes.

New for 2024: The US Dressage Finals will offer a Prix St. Georges Jr/YR Final class as well as an Intermediate I Jr/YR Final class.

- 1) United States Citizenship Requirement: To compete in any US Dressage Finals class, the rider must be a US citizen.
- 2) Declaration Requirement: The horse/rider combination must declare their intention to participate by completing the Declaration of Intent form by midnight on the day prior to the first day of their Regional Championship competition (including any open class day before the start of championship classes). **There is no fee to declare, but horse/rider combinations must declare at the level(s) and eligible division(s) they intend to compete in at the US Dressage Finals. Go to www.usdressagefinals.com to declare.**
- 3) Ranking in a Regional Championship Class: Eligibility to enter US Dressage Finals classes is based on a horse/rider combination's ranking in a Regional Championship class. Champions and Reserve Champions in eligible classes will be automatically invited, as long as they have declared by the deadline. *Note: In order to be named Champion and Reserve Champion in a Regional Championship class, a horse/rider combination must have achieved a score of 57% or higher.*

In the event that the Champion and/or Reserve Champion declines the invitation, or are ineligible to compete in the US Dressage Finals, the horse/rider combination that has the next highest ranking in the class will be eligible, providing they:

1. Are a US citizen.
2. Completed the Declaration of Intent for that particular level and division by the deadline.
3. Achieved the pre-requisite score of 57% or higher.

If that combination declines, the same process will be followed down through the fifth ranked declared horse/rider combination for that Finals level and division.

No notifications will be issued beyond the fifth ranked, of declared horse/rider combination except as may be eligible through the Wild Card invitations described below.

II. Qualification Based on Wild Card Eligibility:

Horse/rider combinations who are not otherwise qualified to compete in the US Dressage Finals based on their Regional Championship ranking (see above) may be invited to participate in a Finals class by earning a Wild Card score achieved at one of the nine Regional Championships, provided the following two requirements are met: US Citizenship and earning an eligible Wild Card score in a Regional Championship class.

- 1) United States Citizenship Requirement: To compete in any US Dressage Finals class, the rider must be a US citizen.
- 2) Eligible Wild Card Score: Eligibility to enter US Dressage Finals classes is based on a Wild Card score earned in a Regional Championship class. For all levels and divisions from Training through Grand Prix, a horse/rider combination that competes in a Regional Championship class and achieves a score at or above the score listed below for that level and division may compete in the same level and division at the US Dressage Finals.

Note: Horse/rider combinations are not required to have filed a "Declaration of Intent" in order to receive a Wild Card invitation.

- 1) Invitation emails will be sent to the top two of the top five declared horse/rider combinations.
- 2) Invitation emails will be sent to combinations eligible for a Wild Card.
- 3) Notification emails will be sent to the third to fifth declared horse/rider combinations, notifying them that they are on the reserve/alternate list and reminding them to check the website for any status changes that would make them eligible for an invitation.

In the event that an invited horse/rider combination scratches, invitations may be issued up to the start of the competition.

Note: Competitors do not need to receive an actual invitation to nominate themselves for the US Dressage Finals. The entry system will have their eligibility status and they can nominate prior to receiving an email invitation.

IV. Nomination Requirement:

Nomination, including payment of the nomination fee, is required for participation in US Dressage Finals classes, whether qualifying through ranking in a Regional Championship class or by Wild Card Eligibility. The nomination deadline is midnight, 96 hours after the last championship day in the regional championship show in which the horse/rider combination competed. Each US Dressage Finals horse/rider combination is required to complete the nomination (preliminary entry) process including the

horse/rider combinations on the reserve/alternate list. The Nomination fee paid will be applied to the total amount due at Closing Date.

V. Entry Requirements

Completed entries for the US Dressage Finals *must be received* by the closing date, Saturday, October 19th midnight Eastern Time. Priority for all stabling requests (including stabling in Alltech Barns and for double stalls) will be based on the date of receipt of the COMPLETE online entry. Each online entry must include the following: full payment, fully signed 2024 US Dressage Finals entry form and signed USEF Waiver, current negative Coggins test and current Flu/Rhino Vaccine Record. All documents must be uploaded when you receive your online entry confirmation from Horseshowoffice.com, that is emailed immediately to you after you enter online. The last factor in determining stabling priority will be the allotted number of Alltech stalls available per region.

2024 Great American Insurance Group/USDF Regional Championship Program Rules

The Regional Championship program rules published herein are effective for the 2024 Regional Championship year, unless otherwise stated. The program rules and qualifying criteria published herein are subject to additions or revisions.

While every effort has been taken to avoid mistakes in this publication, the United States Dressage Federation Inc. assumes no liability to anyone for errors or omissions. USEF rules supersede all other rules when qualifying for this championship program.

USEF rules are subject to change at any time. Changes and corrections subsequent to this publication are published in the USDF Connection and on the USDF website.

Refer to the United States Equestrian Federation's website for official rule changes and the most up-to-date version of their rulebook.

A single Regional Dressage Championship program organized by the United States Dressage Federation (USDF), and licensed by the United States Equestrian Federation, Inc. (USEF), will be held in each of the nine USDF regions. In addition, Alaska and Hawaii may each hold state championships if an official request from a Group Member Organization (GMO) is received by April 1 of the prior year.

The 2024 Regional Championships will be sponsored by the Great American Insurance Group (Great American), as the title sponsor. The official title of the Regional Championships shall be:

GREAT AMERICAN INSURANCE GROUP/UNITED STATES DRESSAGE FEDERATION

REGION (#) DRESSAGE CHAMPIONSHIPS

Licensed by United States Equestrian Federation, Inc.

A Regional Championship is a Level 4 Competition. In each region, USEF/USDF Regional Championship classes must be offered at each level through Grand Prix, in three divisions: open, adult amateur (AA), and junior/young rider (Jr/YR). FEI Junior Team Test and FEI Young Rider Team Test championship classes must also be offered. Freestyle classes at First, Second, Third, Fourth, Intermediate I, and Grand Prix levels must also be offered in the open/junior/young rider division and adult amateur division.

The official prize lists for all of the Championships will be available on the USDF website no later than May 1st.

For the remainder of this document USEF/USDF championship classes will be considered the same as Great American/USDF championship classes.

A. MEMBERSHIP/REGISTRATION REQUIREMENTS FOR QUALIFYING AND CHAMPIONSHIPS

All memberships and registrations/recordings must be correct and current at the time qualifying scores are earned and at the time of the championships.

Rider:

- Must have a USDF Participating* Membership (PM).
- Must have a USEF membership (Active or Life).

Horse:

- Must have a USDF Lifetime Horse Registration (LHR).
- Must have a USEF (Annual or Lifetime) Horse Recording.
- USDF horse registration and USEF horse recording must be in the name(s) of the current owner(s) or lessee(s).
- A horse is not required to have breed registry papers.
- Horses must be entered in qualifying and championship classes under their official recorded names and ownership as specified in USEF GR1102.3, and transfers of ownership or lease registrations must be completed in compliance with USEF rules GR1105 and GR1108 prior to the competition in order for the horse to compete under the name of the new owner or lessee. (USEF DR127.2)

Owner:

- Must have a USDF Participating or Business Membership and a USEF membership (Active or Life Membership or Annual or Life Recorded Farm/Business). If the horse has more than one owner, at least one owner must have both active USEF membership and active USDF Participating or Business Membership and must be the owner of record with USEF and USDF. For a business or farm to be the valid owner under this requirement, it must be listed as an owner of the horse with both USEF and USDF.

* PMs are USDF members who join USDF directly. USDF Group Members (GM) are ineligible.

B. QUALIFYING CLASS AND CHAMPIONSHIP ELIGIBILITY

1. Having won a USEF/USDF Regional Championships three times (in any region over their lifetime), a horse/rider combination may no longer compete in USEF/USDF Regional Championship competition at that or a lower level (Grand Prix excepted), if they received the minimum qualifying score or higher for that division and level in the championship test per USEF DR127.5.
2. A horse may not be entered in more than one USEF/USDF Regional Championship at a particular level in the same calendar year.
3. USDF will presume qualified horse/rider combinations will compete in the region in which the rider resides as determined by the address associated with the rider's membership information on file as of July 1. Riders are NOT required to be a resident of the region to compete in that region's championship. Riders who wish to compete at Regional Championships in a region other than their region of residence, must submit a Change of Region Form. This form must be submitted with a \$25 fee prior to July 1. Change of Region Forms may be accepted from July 2 up to August 1, with a fee of \$100; from August 2, up to the closing date of the championship region the rider is declaring for, with a fee of \$300. **No changes of region may be made after the closing date of the region in which a rider wishes to enter, for any reason.** In addition, all persons living outside of the United States, who intend to compete in a Regional Championship, must submit a Change of Region form and applicable fee to USDF to declare a region.
4. A rider may not compete in more than one Regional Championship competition in the same calendar year.
5. In the event a competitor is unable to produce copies of the USDF membership or lifetime horse registration documents required to enter a qualifying class, a USDF competition affidavit with appropriate fee may be completed and filed with the competition secretary. The affidavit and appropriate fee must be submitted to USDF by the competition secretary. Copies of the required memberships and registrations MUST be included with the championship entry. Affidavits will not be accepted for USEF or USDF membership or horse recording verification purposes for entry in championship classes.
6. Horses must be entered in qualifying and championship classes under their official recorded names and ownership as specified in USEF GR1102.3, and transfers of ownership or lease registrations must be completed in compliance with USEF rules GR1105 and GR1108 prior to the competition in order for the horse to compete under the name of the new owner or lessee. (USEF DR127.2)

C. QUALIFYING SYSTEM

1. There is currently one qualifying system with nationally-standardized minimum percentages (see Section D for qualifying percentages).
2. Prior to competing in a Great American/USDF qualifying class, a horse/rider combination must be eligible according to the USDF/USEF membership and registration requirements for qualifying.
3. To qualify for a Regional Championship, horse/rider combinations must earn a total of two qualifying scores (each score must be the average of all judges officiating in a designated Great American/USDF qualifying class), at two different USEF-licensed/USDF-recognized Dressage Competitions, from two different judges, or combination of judges. In addition, the same judge may not have officiated in classes from which qualifying scores are earned, unless the following conditions are met: A panel of judges will be considered as a different judging entity if 50 percent or more of that panel is changed (e.g. a panel of two judges must have one new person, a panel of three judges must have two new people and a panel of five judges must have three new people; exception, CDI panels exempt from this requirement. Scores earned where CDI panels officiate are eligible to be used for qualifying if there are no changes to the judging panel in two separate CDI competitions where both scores are earned).
4. To qualify, eligible riders must enter an official Great American/USDF qualifying class at a USEF-licensed/USDF-recognized Dressage Competition. The Great American/USDF qualifying class will be the highest or single test of the level and the class must be designated as Great American/USDF qualifying in the prize list.
5. To qualify at freestyle, riders must earn a total of two freestyle qualifying scores at the level at which they wish to qualify, earned in designated Great American/USDF qualifying classes, at two different USEF-licensed/USDF-recognized Dressage Competitions from two different judges or combinations of judges as described in Section C.3. ***All FEI Pony Rider are equivalent to Second Level; all FEI Junior Rider Tests are equivalent to Third Level; all FEI Young Rider Tests are equivalent to Prix St. Georges; and the USEF Brentina Cup (Young Adult) Test and FEI Young Rider Grand Prix 16-25 Test are equivalent to Intermediate II. For purposes of freestyle qualification, all are considered equivalent to the highest test of that level and may be used to enter a freestyle at that level or a level below. Young Horse and FEI Children Tests cannot be used for freestyle qualification at any level.***
6. Horse/rider combinations may enter more than one qualifying test, and qualifying freestyle, at each level per day as Great American/USDF qualifying. (USEF DR 127.4)
7. Eligible competitors must be given the option to enter the class as "USDF qualifying" for a maximum additional fee of \$15 which must be paid to the show secretary prior to riding in the class.
8. USEF/USDF qualifying and/or championship classes must be designated as such in the prize list and the results. (USEF DR127.4). The \$15 qualifying fee will be sent to USDF from the show secretary along with the Report of Fees. All qualifying rides must be marked as such in the results. Once qualifying fees are received by USDF they will not be refunded to competitors for any reason. All regional championship qualifying fees paid to show management must be submitted to the USDF, including fees from riders that scratched, were eliminated, excused or did not show up for the class. Exceptions: Competition Refund policy must clearly state that these fees will be refunded to the competitor; or fees are reapplied to cover indebtedness to the competition not paid by the competitor.
9. Separate ribbons or trophies are not awarded for Great American/USDF qualifying entries.

10. Any and all eligible horse/rider combinations who achieve the minimum qualifying score in a Great American/USDF qualifying class will receive one qualifying score toward their two score requirement to be eligible to enter a Regional Championship if all other conditions are met.
11. FEI classes at CDI/CDI-Y/CDI-J/CDI-P or USEF High Performance qualifying competitions must be designated as Great American/USDF qualifying in the prize list in order for classes to be counted as qualifying by USDF. Prior to riding in the class, riders must pay the qualifying class fee to the competition secretary.
12. USDF will presume qualified horse/rider combinations will compete in the region in which the rider resides as determined by the address associated with the rider's membership information on file as of July 1. Riders are NOT required to be a resident of the region to compete in that region's championship. Riders, who wish to compete at Regional Championships in a region other than their region of residence, must submit a Change of Region Form. This form must be submitted with a \$25 fee prior to July 1. Change of Region Forms may be accepted from July 2 up to August 1, with a fee of \$100; from August 2, up to the closing date of the championship region the rider is declaring for, with a fee of \$300. **No changes of region may be made after the closing date of the region in which a rider wishes to enter, for any reason.** In addition, all persons living outside of the United States, who intend to compete in a Regional Championship, must submit a Change of Region form and applicable fee to USDF to declare a region.
13. There is no limit on the number of horses on which a rider may qualify.
14. Qualification is based on horse/rider combination. If a new rider wishes to compete with the horse at the championships, she/he must requalify. (USEF DR127.9)
15. One whip no longer than 47.2 inches (120 cm), including lash may be carried in all qualifying classes (including NAYC) unless such use is otherwise prohibited by FEI or Federation rules or selection procedures for the classes. (USEF DR120.7) An adjustable-length whip may not be carried by a mounted rider.
16. Tests may be read in qualifying classes except in FEI level classes and freestyle classes.
17. Qualifying seasons vary for each region. The season during which scores may be earned to qualify for a particular Regional Championship starts the day after the closing date of that region's 2023 championship and ends on the closing date of that region's 2024 championship. Horse/rider combinations may earn qualifying scores in another region but only at shows within the current qualifying year of the region in which that show is held.
18. The closing date of each Regional Championship will be the fourth Monday prior to the start of the Regional Championship competition. Competitions will count for only one calendar year's championship. The qualifying year of each competition is based upon the location of where that show is held, not the region the rider wishes to compete in.
19. USDF will maintain a database of qualified horse/rider combinations and will post a provisional list for each level and division on the USDF website. USDF will verify eligibility of championship class entries with the championship's secretary prior to each championship's competition. Post entries may be submitted by qualified horse/rider combinations in championship classes if post entries for championship classes are allowed in the prize list of the competition.

D. MINIMUM QUALIFYING SCORES

E. CHAMPIONSHIP RULES

1. All Regional Championship competitions are considered Level 4. Please refer to USEF Dressage Level Requirements for specifics. (USEF DR126.4)
2. Each entry must designate the division being entered (open, adult amateur or junior/young rider) and must meet minimum percentage requirements for the championship division entered.
3. Cross entering open and junior/young rider divisions or open and adult amateur divisions for a horse/rider combination is permitted at adjacent levels. It is not permitted at the same level. Exception: freestyle or equivalent FEI Junior or FEI Young Rider levels.
4. If a rider intends to enter a Regional Championship as an adult amateur, the rider must be an adult by the current USEF definition (DR 119.3) and a current amateur by the USEF definition. (USEF GR1306, 1307)
5. If a rider intends to enter a championship as a junior/young rider, the rider must be a junior/young rider by the current USEF definition and her/his birth date must be on file with USDF by July 1 of the championship year.
6. Verification of USDF/USEF membership cards and horse recording and registration certificates must accompany championship entry (USDF PM for rider, USDF PM or BM for owner, etc.)
7. Under penalty of elimination, whips may not be carried in championship tests (Exception: Competitors riding sidesaddle may carry a whip no longer than 47.2 inches (120 cm), including lash, in USEF/USDF Championships.) An adjustable-length whip may not be carried by a mounted rider.
8. Under penalty of elimination, all championship tests must be ridden from memory. (USEF DR122.1)
9. The gate at "A" may be left open for every USEF/USDF championship ride. Decisions to either close the gate or leave it open must be consistent for all championship classes. Each Regional Championship competition management must publish in its official prize list if the gate will be closed in championship classes. (USEF DR126.2.f.5)
10. Under penalty of disqualification from all championship classes for the horse/rider combination, within 24 hours prior and at no time during a USEF/USDF Regional Championship competition may any horse entered in that Championship competition be ridden by anyone other than the rider entered in the Championship competition on that horse (exception: grooms riding on loose rein). Further, any horse entered in a championship competition, even entered at two levels, must be ridden by the same rider throughout competition. (USEF DR127.6) (NOTE: This applies throughout the entire competition, even after a horse has completed its championship classes.)
11. In the event of a tie (equality of total points) for champion and/or reserve champion in USEF/USDF championship classes, the collective marks **after coefficients have been applied** will determine first, second, and/or third or all three places; (i.e. when a tie for first place is broken by collective marks, tied competitors will receive first and second places, etc.). If collective marks are equal, the tie will remain unbroken (i.e. two first places will be awarded next third place, etc.). For ties in freestyle classes refer to USEF DR129.5 which states the highest score shall be declared the winner of the class. In the case of a tie, the higher artistic score shall determine the winner. **Should the artistic mark be the same, the higher mark for harmony will decide. If still tied the higher mark for choreography will decide.** Ties (equality of total points and **total collective marks after coefficients have been applied**) after second place will be broken by collective marks. Ties (equality of total points and **total** collective marks **after coefficients have been applied**) occurring in third through eight places will remain unbroken. In the case of a tie (equality of total points and **total** collective marks **after coefficients have been applied**) for champion, prize money designated for champion and reserve champion will be combined and divided equally between the two competitors.
12. Hors de Concours entries are not permitted in USEF/USDF championship classes. (USEF DR119.5)
13. In a USEF/USDF championship class, the horse/rider combination must obtain the necessary minimum percentage score to be named champion or reserve champion. (USEF DR123.7) If the highest placed horse/rider combination receives less than the minimum percentage, no championship awards or prize money will be issued, however an awards ceremony will be held for the entire class. In lieu of a champion and/or reserve neck sash, a first and/or second place ribbon will be awarded.
14. In USEF/USDF championship classes, a steward must be appointed to check the saddlery, bits and spurs, on both sides of each horse immediately after it has completed its test and has left the arena. Any discrepancy to the saddlery rules will result in immediate elimination. (USEF DR126.2.i.6)
15. A Registered (R) Dressage Technical Delegate (TD), who is a current Participating Member of USDF, is required to officiate at USEF/USDF championships. TDs for competitions offering qualifying and/or championship classes must investigate incidents of non-compliance and report violations to USEF. "R" Dressage TDs hired to officiate Regional Championship classes must be selected from outside the region. This applies only to the primary competition TD, who is the person responsible for filing the TD report for the competition with USEF. (See section H.3.c, and USEF GR1018.3 and DR127.3)
16. Entries in USEF/USDF dressage championship classes are limited to competitors who have met the qualifications, membership, horse recording and registration requirements, and deadlines outlined in USEF DR127 and published by USDF. Competitors who are properly qualified, whose completed entries are received by the closing date for a particular Regional Championship, and who have complied with all championship rules may not be denied entry into the Regional Championship classes for which they have qualified.

Only one class per division and/or level may be held to determine USEF/USDF regional champions. (USEF DR127.7)

17. USEF/USDF championships classes may not be split. (USEF DR126.2a.4)

18. Championship classes for juniors and young riders must only be held on Friday, Saturday, and/or Sunday. Dressage Seat Medal Semi-Finals classes must be held on Saturday or Sunday. Juniors and young riders' entries (horse/rider combinations) are limited to entry in only two championship classes, excluding freestyle.

19. Except for freestyles, the FEI Junior Team Test, and FEI Young Rider Team test, championship classes at consecutive levels, for the same division, may not be held on the same day.

20. Ribbons and prizes can be distributed prior to arrival at the awards ceremony. Award ceremony attendance is not mandatory. Riders should let show management know if they plan not to attend.

21. All horses competing in Regional Championships classes must be stabled on the competition grounds and must remain on the grounds for the duration of their participation in the event, from the time of arrival until the horse has finished competing in all classes. If the horse has been found to have left the grounds, and returned, it would be eliminated from championship classes, but not in non-championship classes. (USEF DR127.8)

22. For USEF/USDF freestyle championship classes, the competitor must provide the show with music for the freestyle. Acceptable formats/methods must be specified in the prize list. Formats must include CDs and/or digital files (MP3 and/or WAV.). Only one freestyle music per CD or digital file. All music must be submitted in the time frame specified in the prize list. Video files (MP4 or .mov) will not be accepted. Digital files must be sent and received electronically or on a thumb drive. Music should not be played via a competitor's cell phone, iPad, or any other personal mobile device. The competitor is required to bring a back-up copy (thumb drive or CD) with them to the competition. See also H.7.

23. The test ridden for national level USEF/USDF championship classes will be the highest test of the level.

F. ADDITIONAL RULES AND REQUIREMENTS

1. Competition managers of USEF Dressage Competitions which hold USEF/USDF qualifying and/or championship classes are responsible to USEF for knowing and complying with all USEF rules and USDF guidelines regarding qualifying and/or championship classes. Please refer to USEF Dressage Level requirements. (USEF DR127.3)

2. A host GMO officer or CEO of the competition licensee, and the competition manager, must sign an agreement with USDF which includes the organizer's agreement to abide by USEF and USDF rules and regulations, and releases USDF from liability, financial or otherwise, during or in connection with the event.

3. Once an application to hold a USEF/USDF regional dressage championship has been submitted, no changes to date, facility, organizer, manager, or secretary may be made without prior notification and written consent of USDF with consultation with the respective Regional Director, when appropriate. In addition, USDF reserves the right to select an alternate host site and management if the facility, organizer, manager, or secretary named in the original host site application is changed without written permission from USDF.

7. Riders placing in Great American/USDF Regional Championship classes must be present, mounted and in full riding attire for awards ceremonies if they elect to participate. For safety reasons competitors may decline to participate in the victory round. Unmounted awards ceremonies may be held if weather or other calamity prevents mounted awards ceremonies. Riders must be in full riding attire.

8. Specific requirements in prize-giving ceremonies must be announced in the prize list. It is recommended that saddlery for ceremonies be the same as in the competition, but that white or dark colored leg bandages or boots are allowed. Whips may be carried in prize giving ceremonies. Rosettes should be placed on the horses' bridles prior to the ceremony. The judge at "C" should be invited to participate in the prize-giving. Competition management is responsible for the safe conduct of ceremonies and must excuse any horse that threatens the safety of participants. (USEF DR123.13)

10. Date applications may not use the name or title of a championship that has not been assigned to that licensed competition for the competition year named in the application. The fees are waived when a competition changes its name to include the title of a regional or national championship or when the name reverts back to its original name. Using the name or title of a championship that has not been assigned to that licensed competition during the same competition year is a violation of USEF rules. (GR706.1.p)

11. Copies of documents submitted by competitors to verify USEF and USDF membership and horse recording must be available to the TD in the competition office. (USEF DR127.2)
