IMPORTANT INFORMATION CONCERNING SPLITTING/COMBINING & ADD/SCRATCH POLICY IN ALL “A” RATED HUNTER SECTIONS: Should entries warrant, all “A” rated hunter sections will be split or combined following USEF rules and will be done so at the close of the horse show office on the evening preceding the first class in each section, therefore entries MUST be completed for “A” rated hunter divisions accordingly to be considered. Any post-adds received and accepted after this time will not be considered in respect to the splitting/combining numbers. There will be no exceptions to this policy. Same day scratches and/or “no-shows” at the gate in all “A” rated hunter sections will forfeit their entry fee unless a Certificate from the Official Show Veterinarian vet scratch for the show is received by the official show secretary prior to the First class of the section in question. Should same day scratches or no-shows result in insufficient entries to keep sections split, sections will be combined.

Adding Classes: Can be done directly through Show Management System or in horse show office until 4pm the day before the class is scheduled.

Scratching Classes: Scratches can be done directly in your Show Management System account any time until the start of the class except “A” rated hunters cannot scratch same day. Informing the starter that you do not intend to participate WILL NOT scratch the class. A horse on the grounds scratching all classes will become a non-showing horse regardless of the reason and will incur all fees associated with a non-showing horse. After showing in the first class of any “A” rated section requiring a section entry fee, no refunds will be given for scratching any classes within the section for any reason.

Non-Showing Horses: All horses on the grounds are required to have a signed entry form in the office, whether they are showing or not. This entry form must include signatures and a complete description of the horse. Non-Showing horses (horses doing ticketed warmup, but no classes are considered non-showing horses) will pay a fee of \$150 per show plus \$18 night watch. Scratched horses on the grounds are considered non-showing horses regardless of the reason.

Award Ceremonies: Riders are required to ride for awards in all Classics/Grand Prix, unless notice of ceremony cancellation has been given. Failure of a rider to be present may result in forfeiture of all prizes won in the class. Competition management reserves the right to require participation in any tie-breaking procedure in order to determine a winner of a competition or championship. Refusal to participate in the tie-break procedure (if required) may include, but is not limited to; forfeiture of prize money and/or elimination from the competition. The decision of management is final.

Payment Method: Show Fees may be paid by cash, check drawn on an American bank, or any major credit card (3% fee).

Returned Checks/Declined Credit Cards/Credit card chargebacks: Checks returned by the bank or declined credit cards or chargebacks on credit cards transactions for any reason are regarded as a serious offense and will be handled as follows: A 10% penalty will be assessed for every returned check or credit card chargeback (Minimum of \$50). Accounts will be given ten days to be paid in full with cash or cash equivalent or they will be reported to USEF for collection/disciplinary action.

Prize Money/Awards: An IRS W9 needs to be completed showing the proper prize money recipient and their SS or FED ID#. Care must be taken to be sure the information matches that of the IRS. Prize money will be deducted from your account upon closeout in the office provided you have submitted the required W9 or W8 for Foreign exhibitors. Balances will be paid by check and mailed to the named recipient on the W9 within 30 days after the conclusion of the show. The IRS W9 form is available in the show office/through Show Management System account. All Hunter purses shall be divided as follows unless otherwise specified: 1st-30% / 2nd-22% / 3rd-15% / 4th-12% / 5th-11% / 6th-10%.

Refunds: Entries canceled prior to the closing date will be refunded in full. Stalls and processing fee are not refundable for any reason. All scratches must be submitted in writing to be considered for a refund. All accounts become final after the close of the show, changes will not be considered after this date, no exceptions! Please look over your statement carefully before checking out. If the show must be stopped due to a storm, accident, or other emergency, the show management has the right to deny a refund of any or all fees. Refunds will be issued at the end of series.

Processing/EMT/Night Watch: Each horse will pay a \$50 per show Processing Fee, \$35 EMT Fee & Horse Ambulance fee, and \$18 Night Watch Fee. The Processing Fee is a non-refundable fee which will also entitle each horse to properly add/scratch regular classes at no additional cost.

Arrival and Departure: Horses may arrive after 3pm on Monday and depart no later than 7am Monday. Early arrival and late departure must be arranged directly with the stabling manager.

Health Requirements: Florida regulations require that all equines be covered by official interstate health certificates, issued by a licensed veterinarian, showing that the animals are free from any symptoms of any infectious or communicable disease. The certificate shall include the name of the owner and address, destination in Florida, number of horses examined, the name, registration number(s), if any, tattoo, if any, sex, age, rectal temperature, color, and markings of each animal listed. Health certificates will become void after 30 days from issue. Health certificates must show animals to be negative to an equine infectious anemia test within the past 12 months. Date of test and approved laboratory must be shown on health certificate. At Federation licensed competitions, horses entering the grounds must be accompanied by documentation of Equine Influenza Virus and Equine Herpes Virus (Rhinopneumonitis) vaccinations within six months prior to entering the stables. Horses not in compliance with this rule may be required to leave the competition grounds upon request by Competition Management. Documentation should consist of one of the following methods mentioned below. The frequency of vaccine administration should be per the vaccine manufacturers' or veterinarian's recommendations. It is recommended that vaccines are administered by or under the direction of a veterinarian. 2. In the case of vaccines administered by a veterinarian, the exhibitor, upon request by Competition Management, must provide documentation from the veterinarian on documenting that the horse in question received the vaccinations; name of the vaccines and date of vaccine administration. 3. In the case of vaccines administered by a person other than a veterinarian, the exhibitor, upon request by Competition Management, must provide a receipt of the vaccine purchase which is signed by the owner, or agent with care, custody, and control of the horse; name, serial number and expiration date of the vaccine; and date of vaccine administration. 4. In the case of a horse that is unable to receive either of the vaccinations due to a history of adverse reactions, the exhibitor, upon request by Competition Management, must provide a letter from the veterinarian on official letterhead stating that the horse in question cannot be vaccinated due to medical concerns and a log of temperatures taken twice daily for the seven days prior to entering the competition grounds. These horses must also have their temperature taken and logged twice daily while on the competition grounds. The log of temperatures should be provided to the Competition Management, steward, or technical delegate when requested. 5. Competition Management may not amend or enhance vaccination requirements without prior approval of the Veterinary Committee.
