You will do this when logged into your USEF account, preferably when you renew your membership. Failure to complete the safe sport training will disqualify you from competing in any capacity until it is completed. Do not get caught on the suspended list. Junior riders that have reached their 18th birthday must complete Safe Sport training.

Mandatory Microchipping went into effect on December 1, 2018. You will not be allowed to COMPETE any horse that has not been microchipped. The microchip must be uploaded to your USEF account. All horses that require a USHJA Registration will also require a microchip.

Stabling: All stalls (12'X12' and 12'X14') are permanent concrete stalls with doors, stable comfort mattress systems, and fans. Stalls may not be occupied by more than one horse at a time. Stalls may not be sublet or incur a sublet fee of \$50.

Weekly Stall/Paddock Reservations: Stalls are \$300/week and must be secured with payment in full. Stalls and Paddocks can be reserved and paid for on Stallinfo.net. Stalls will be reserved once payment is processed. Paddocks are \$350/week and subject to availability and stall count. Tack stalls, if available, are \$300/week. No reservations will be accepted through email. Reservations will be complete upon processing of payment and approval of World Equestrian Center. Please understand that we are unable to accept location requests at this time. Tack stall and paddock requests will be accommodated based on the ratio of horse stalls ordered.

Horses are not allowed in locking tack rooms. A \$50 cleaning up fee per stall and/or tack room will occur for any left behind personal belongings and trash. Shavings are to be purchased on-site. Any off-site shavings will result in an additional \$25 manure disposal fee per stall. A \$100 fee per stall and/or tack room will occur for any nails or screws in stalls/tack rooms.

Stalls/paddocks are property of World Equestrian Center. All horses on grounds will be charged for a stall or ship-in fee.

Paddock Restrictions: Horses may not be turned out in paddocks between dusk and dawn.

Feed and Bedding: Must be ordered through <https://stallinfo.net> at least 24 hours in advance to guarantee delivery prior to arrival. No outside shavings deliveries permitted.

IMPORTANT INFORMATION CONCERNING SPLITTING/COMBINING & ADD/SCRATCH POLICY IN ALL "A" RATED HUNTER SECTIONS: Should entries warrant, all "A" rated hunter sections will be split or combined following USEF rules and will be done so at the close of the horse show office on the evening preceding the first class in each section, therefore entries MUST be completed for "A" rated hunter divisions accordingly to be considered. Any post-adds received and accepted after this time will not be considered in respect to the splitting/combining numbers. There will be no exceptions to this policy. Same day scratches and/or "no-shows" at the gate in all "A" rated hunter sections will forfeit their entry fee unless a Certificate from the Official Show Veterinarian vet scratch for the show is received by the official show secretary prior to the First class of the section in question. Should same day scratches or no-shows result in insufficient entries to keep sections split, sections will be combined.

Adding Classes: Can be done directly through [HorseShowing.com](https://www.horshowing.com) or in horse show office until 4pm the day before the class is scheduled. Please be sure to enter classes in a timely manner. Scheduling cannot accommodate same day adds. In the event an add after 4pm the day prior is approved by management, a \$25 late add fee will incur.

*****RDNE (Rode Did Not Enter):** Entries that show in a class that was not properly entered either online, by inclusion on your original entry form, or a properly filled out add slip/online add PRIOR to the class involved will be charged a \$50 RDNE Fee.

Scratching Classes: Scratches can be done directly in your [HorseShowing.com](https://www.horshowing.com) account any time until the start of the class except "A" rated hunters cannot scratch same day. Informing the starter that you do not intend to participate WILL NOT scratch the class. A horse on the grounds scratching all classes will become a non-showing horse regardless of the reason and will incur all fees associated with a non-showing horse. After showing in the first class of any "A" rated section requiring a section entry fee, no refunds will be given for scratching any classes within the section for any reason.

Non-Showing Horses: All horses on the grounds are required to have a signed entry form in the office, whether they are showing or not. This entry form must include signatures and a complete description of the horse. Non-Showing horses (horses doing ticketed warmup, but no classes are considered non-showing horses) will pay an additional fee of \$150 per show. Scratched horses on the grounds are considered non-showing horses regardless of the reason. All horses on the property must have signed entry blank and health paperwork submitted to the show office. Any horses found in violation will be fined \$250. Please see Health Requirements.

Award Ceremonies: Riders are required to ride for awards in all Classics/Grand Prix, unless notice of ceremony cancellation has been given. Failure of a rider to be present may result in forfeiture of all prizes won in the class. Competition management reserves the right to require participation in any tie-breaking procedure in order to determine a winner of a competition or championship. Refusal to participate in the tie-break procedure (if required) may include, but is not limited to; forfeiture of prize money and/or elimination from the competition. The decision of management is final.

Payment Method: Show Fees may be paid by cash, check drawn on an American bank, or any major credit card (3% fee).

Returned Checks/Declined Credit Cards/Credit card chargebacks: Checks returned by the bank or declined credit cards or chargebacks on credit cards transactions for any reason are regarded as a serious offense and will be handled as follows: A 10% penalty will be assessed for every returned check or credit card chargeback (Minimum of \$50). Balances will be paid by check and mailed to the named recipient on the W9 within 30 days after the conclusion of the show. The IRS W9 form is available in the show office/through [HorseShowing.com](https://www.horshowing.com) account. All Hunter purses shall be divided as follows unless otherwise specified: 1st-30% / 2nd-22% / 3rd-15% / 4th-12% / 5th-11% / 6th-10%. At Federation licensed competitions, horses entering the grounds must be accompanied by documentation of Equine Influenza Virus and Equine Herpes Virus (Rhinopneumonitis) vaccinations within six months prior to entering the stables. Horses not in compliance with this rule may be required to leave the competition grounds upon request by Competition Management. Documentation should consist of one of the following methods mentioned below. The frequency of vaccine administration should be per the vaccine manufacturers' or veterinarian's recommendations. THE FEI CODE OF CONDUCT FOR THE WELFARE OF THE HORSE: The Fédération Equestre Internationale (FEI) expects all those involved in international equestrian sport to adhere to the FEI's Code of Conduct and to acknowledge and accept that at all times the welfare of the horse must be paramount and must never be subordinated to competitive or commercial influences. At all stages during the preparation and training of competition horses, welfare must take precedence over all other demands. This includes good horse management, training methods, farriery and tack, and transportation. Horses and competitors must be fit, competent and in good health before they are allowed to compete. This encompasses medication use, surgical procedures that threaten welfare or safety, pregnancy in mares and the misuse of aids. Events must not prejudice horse welfare. This involves paying careful attention to the competition areas, ground surfaces, weather conditions, stabling, site safety and fitness of the horse for onward travel after the event. Every effort must be made to ensure that horses receive proper attention after they have competed and that they are treated humanely when their competition careers are over. This covers proper veterinary care, competition injuries, euthanasia and retirement. The FEI urges all involved with the sport to attain the highest levels of education in their areas of expertise. A full copy of this Code can be obtained from the Fédération Equestre Internationale, Avenue Mon-Repos 24, CH-1000, Lausanne 5, Switzerland. Telephone: +41 21 310 47 47. The Code is available in English, French, Spanish, German and Arabic. The Code is also available on the FEI's website: www.horsesport.org.

VETERINARY EXAMINATIONS, INSPECTIONS & PASSPORT CONTROLS: These will be carried out in accordance with the Veterinary Regulations, Art. 1011 & the discipline rules, "General Regulations", 23rd Edition, Revision effective 20th April 2014, will apply: In accordance with Art.139.1. Every horse entered for any competition at CNs or CIMs (see Appendix D) in a foreign country (see GR 141.2), and all horses entered for other CIs, CIOs, Championships, Regional and Olympic Games, whether at home or in foreign countries must have a valid official FEI Passport, or a National Passport approved by the FEI and accompanied by an FEI Recognition Card and, when applicable, an FEI registration number, as a means of identification and to establish ownership. In accordance with Art. 139.2. Horses taking part in CNs and CIMs (see Appendix D) in their country of residence are not required to have a passport as is mentioned in paragraph 1. All such horses must be properly registered and identifiable and, unless there is no national requirement for equine influenza vaccination in the host country and in the country of origin, all horses must have a valid vaccination certificate.

EQUINE INFLUENZA VACCINATION, (Vet Regs. ANNEX VII): All horses and ponies for which an FEI Passport or a National Passport approved by the FEI has been issued must have the vaccination section endorsed by a veterinarian stating that it has received two injections for primary vaccination against equine influenza, given between one and three months apart. In addition, a booster injection must be recorded as having been given within each succeeding 6 months, subsequent to the second injection of the primary vaccination. None of these injections must have been given within the preceding seven days including the day of the competition or of entry into the competition stables. The above are the minimum requirements for influenza vaccination. Both primary and first and subsequent booster injections should be given according to the manufacturer's instructions which will fall within the stipulation of the FEI ruling.

SAMPLING FOR PROHIBITED SUBSTANCES, (VET. REGS, CHAP. V & VI AND ANNEX IV): Regular sampling is carried out in CCIs (3*, 4*), CSIs (3*, 4*, 5*), CIOs, World Cup Qualifiers and Finals, Championships and Games, whereas at other CIs sampling is recommended. The number of horses tested is at the discretion of the Testing Veterinarian/Veterinary Delegate, however a minimum of three is recommended (Art. VR 1016). Special guidelines are applicable for events covered by the FEI Medication Control Programme (Group I & II only).

INSURANCE: All owners and competitors are personally responsible for damages to third persons caused by themselves, their employees, their agents or their horses. They are therefore strongly advised to take out third-party insurance providing full coverage for participation in equestrian events at home and abroad, and to keep the policy up to date.

Refer to the Official FEI Definite Schedule for all details and class specifications. Amateur riders make sure to check current USEF rules regarding competing in International and National events.
