**IMPORTANT INFORMATION CONCERNING SPLITTING/COMBINING & ADD/SCRATCH POLICY IN ALL "A" RATED HUNTER SECTIONS:** Should entries warrant, all "A" rated hunter sections will be split or combined following USEF rules and will be done so at the close of the horse show office on the evening preceding the first class in each section, therefore entries MUST be completed for "A" rated hunter divisions accordingly to be considered. Any post-adds received and accepted after this time will not be considered in respect to the splitting/combining numbers. There will be no exceptions to this policy. Same day scratches and/or "no-shows" at the gate in all "A" rated hunter sections will forfeit their entry fee unless a Certificate from the Official Show Veterinarian vet scratch for the show is received by the official show secretary prior to the First class of the section in question. Should same day scratches or no-shows result in insufficient entries to keep sections split, sections will be combined.

**Adding Classes:** Can be done directly through [HorseShowing.com](https://HorseShowing.com) or in horse show office until 4pm the day before the class is scheduled. Please be sure to enter classes in a timely manner. Scheduling cannot accommodate same day adds. In the event an add after 4pm the day prior is approved by management, a \$25 late add fee will incur.

**\*\*\*RDNE (Rode Did Not Enter):** Entries that show in a class that was not properly entered either online, by inclusion on your original entry form, or a properly filled out add slip/online add PRIOR to the class involved will be charged a \$50 RDNE Fee.

**Scratching Classes:** Scratches can be done directly in your [HorseShowing.com](https://HorseShowing.com) account any time until the start of the class except "A" rated hunters cannot scratch same day. Informing the starter that you do not intend to participate WILL NOT scratch the class. A horse on the grounds scratching all classes will become a non-showing horse regardless of the reason and will incur all fees associated with a non-showing horse. After showing in the first class of any "A" rated section requiring a section entry fee, no refunds will be given for scratching any classes within the section for any reason.

**Non-Showing Horses:** All horses on the grounds are required to have a signed entry form in the office, whether they are showing or not. This entry form must include signatures and a complete description of the horse. All horses must present health paper upon arrival to the Show Office.

**Award Ceremonies:** Riders are required to ride for awards in all Classics/Grand Prix, unless notice of ceremony cancellation has been given. Failure of a rider to be present may result in forfeiture of all prizes won in the class. Competition management reserves the right to require participation in any tie-breaking procedure in order to determine a winner of a competition or championship. Refusal to participate in the tie-break procedure (if required) may include, but is not limited to; forfeiture of prize money and/or elimination from the competition. The decision of management is final.

**Payment Method:** Show Fees may be paid by cash, check drawn on an American bank, or any major credit card (3% fee).

**Returned Checks/Declined Credit Cards/Credit card chargebacks:** Checks returned by the bank or declined credit cards or chargebacks on credit cards transactions for any reason are regarded as a serious offense and will be handled as follows: A 10% penalty will be assessed for every returned check or credit card chargeback (Minimum of \$50). Accounts will be given ten days to be paid in full with cash or cash equivalent or they will be reported to USEF for collection/disciplinary action.

**Prize Money/Awards:** An IRS W9 needs to be completed showing the proper prize money recipient and their SS or FED ID#. Care must be taken to be sure the information matches that of the IRS. Prize money will be deducted from your account upon closeout in the office provided you have submitted the required W9 or W8 for Foreign exhibitors. Balances will be paid by check and mailed to the named recipient on the W9 within 30 days after the conclusion of the show. The IRS W9 form is available in the show office/through [HorseShowing.com](https://HorseShowing.com) account. All Hunter purses shall be divided as follows unless otherwise specified: 1st-30% / 2nd-22% / 3rd-15% / 4th-12% / 5th-11% / 6th-10%. All hunter classic purses shall be divided as follows unless otherwise specified: 1st-25% / 2nd-19% / 3rd-15% / 4th-10% / 5th-9% / 6th-8% / 7th-7% / 8th-7%. Ribbons will be awarded to eighth place in all hunter classes. \$75,000 in hunter prize money is guaranteed to be paid out each week. At Federation licensed competitions, horses entering the grounds must be accompanied by documentation of Equine Influenza Virus and Equine Herpes Virus (Rhinopneumonitis) vaccinations within six months prior to entering the stables. These horses must also have their temperature taken and logged twice daily while on the competition grounds. The log of temperatures should be provided to the Competition Management, steward, or technical delegate when requested. 5. ## HUNTER DIVISIONS

All hunter classes that require a jog will be run with an open numerical score announced at the end of each round.

Hunter Courses: Courses will consist of at least eight fences with changes of direction. Fences will simulate obstacles found in the hunt field, such as brush, post and rails, walls, in and outs, gates, etc. No bank or water jumps. Course diagrams will be posted no later than 30 minutes before the class. In some cases, the area of the courtesy circle may be restricted by a dotted line. Under Saddle classes to be shown at a walk, trot and canter both ways of the ring. No martingales permitted. In High Performance, A/O and Junior classes, entries may be asked to hand gallop collectively one way of the ring, at the Judge's discretion. No more than eight shall be asked to hand gallop at one time. Minimum entry requirements: Management reserves the right to combine Sections with less than six entries. No split Section will be held with less than four entries. Handy Hunter Courses and jumps to simulate those found in trappy hunt country, and may include natural obstacles, a trot fence and a fence to lead over. Jogging - The traditional manner of jogging for soundness in hunter classes is waived, and horses and ponies will jog for soundness under saddle by trotting a circle on a loose rein at the end of each over-fences performance.

**THE FEI CODE OF CONDUCT FOR THE WELFARE OF THE HORSE:** The Fédération Equestre Internationale (FEI) expects all those involved in international equestrian sport to adhere to the FEI's Code of Conduct and to acknowledge and accept that at all times the welfare of the horse must be paramount and must never be subordinated to competitive or commercial influences. At all stages during the preparation and training of competition horses, welfare must take precedence over all other demands. This includes good horse management, training methods, farriery and tack, and transportation. Horses and competitors must be fit, competent and in good health before they are allowed to compete. This encompasses medication use, surgical procedures that threaten welfare or safety, pregnancy in mares and the misuse of aids. Events must not prejudice horse welfare. This involves paying careful attention to the competition areas, ground surfaces, weather conditions, stabling, site safety and fitness of the horse for onward travel after the event. Every effort must be made to ensure that horses receive proper attention after they have competed and that they are treated humanely when their competition careers are over. This covers proper veterinary care, competition injuries, euthanasia and retirement. The FEI urges all involved with the sport to attain the highest levels of education in their areas of expertise. A full copy of this Code can be obtained from the Fédération Equestre Internationale, Avenue Mon-Repos 24, CH-1000, Lausanne 5, Switzerland. Telephone: +41 21 310 47 47. The Code is available in English, French, Spanish, German and Arabic. The Code is also available on the FEI's website: [www.horsesport.org](http://www.horsesport.org).

**VETERINARY EXAMINATIONS, INSPECTIONS & PASSPORT CONTROLS:** These will be carried out in accordance with the Veterinary Regulations, Art. 1011 & the discipline rules, "General Regulations", 23rd Edition, Revision effective 20th April 2014, will apply: In accordance with Art.139.1. Every horse entered for any competition at CNs or CIMs (see Appendix D) in a foreign country (see GR 141.2), and all horses entered for other CIs, CIOs, Championships, Regional and Olympic Games, whether at home or in foreign countries must have a valid official FEI Passport, or a National Passport approved by the FEI and accompanied by an FEI Recognition Card and, when applicable, an FEI registration number, as a means of identification and to establish ownership. In accordance with Art. 139.2. Horses taking part in CNs and CIMs (see Appendix D) in their country of residence are not required to have a passport as is mentioned in paragraph 1. All such horses must be properly registered and identifiable and, unless there is no national requirement for equine influenza vaccination in the host country and in the country of origin, all horses must have a valid vaccination certificate.

**EQUINE INFLUENZA VACCINATION, (Vet Regs. ANNEX VII):** All horses and ponies for which an FEI Passport or a National Passport approved by the FEI has been issued must have the vaccination section endorsed by a veterinarian stating that it has received two injections for primary vaccination against equine influenza, given between one and three months apart. In addition, a booster injection must be recorded as having been given within each succeeding 6 months, subsequent to the second injection of the primary vaccination. None of these injections must have been given within the preceding seven days including the day of the competition or of entry into the competition stables. The above are the minimum requirements for influenza vaccination. Both primary and first and subsequent booster injections should be given according to the manufacturer's instructions which will fall within the stipulation of the FEI ruling.

**SAMPLING FOR PROHIBITED SUBSTANCES, (VET. REGS, CHAP. V & VI AND ANNEX IV):** Regular sampling is carried out in CCIs (3\*, 4\*), CSIs (3\*, 4\*, 5\*), CIOs, World Cup Qualifiers and Finals, Championships and Games, whereas at other CIs sampling is recommended. The number of horses tested is at the discretion of the Testing Veterinarian/Veterinary Delegate, however a minimum of three is recommended (Art. VR 1016). Special guidelines are applicable for events covered by the FEI Medication Control Programme (Group I & II only).

**INSURANCE:** All owners and competitors are personally responsible for damages to third persons caused by themselves, their employees, their agents or their horses. They are therefore strongly advised to take out third-party insurance providing full coverage for participation in equestrian events at home and abroad, and to keep the policy up to date.
