CONQUEST

Welcome to World Equestrian Center — Ocala for the Longines FEI Jumping World Cup™ Ocala. We are thrilled to have you join us for an exhilarating week of top-level equestrian sport.

As you enjoy the competition, we encourage you to explore all that our facility has to offer — from our range of on-site restaurants to exclusive shopping experiences and comfortable accommodations. Above all, we wish you a safe and memorable horse show experience during your time with us. Hosting the Longines FEI Jumping World Cup™ is a true pleasure, and we eagerly anticipate celebrating the triumphs and achievements of the week with each one of you.

May your time at World Equestrian Center — Ocala be nothing short of unforgettable!

*Foreword  
By the FEI President*

On behalf of the Fédération Equestre Internationale, it is my pleasure to welcome you to the eighth qualifier of the highly anticipated Longines FEI Jumping World Cup™ North American League 2024/2025 here in Ocala (USA). Over the next few days, we will have some of the world's finest sport horses and athletes showcase their talent as they chase precious FEI World Cup™ points, aiming for the Final in Basel (SUI) from April 2-6, 2025.

The USA, Mexico and Canada will once again be setting the stage for the North American League with eight suspense-filled qualifiers of which four count towards the overall standings. Our North American journey will, among others, be taking us to Washington, D.C. (USA), Toronto (CAN), Los Angeles (USA) and Puebla (MEX), and at each leg we will be guaranteed to experience top-level sport as athletes and their horses brave courses of highest standards, set up by some of the best course designers in the world.

Twelve leagues, including the North American League, make up the highly successful and global FEI World Cup™ Jumping series which has been in existence since 1978. The format of the FEI World Cup™ series guarantees edge of your seat competitions whilst displaying the fantastic bond between horses and people; the trust, the communication, the hard work and the patience required. It is this bond which enables impressive feats of athleticism to be achieved and the core around which the whole FEI community revolves.

I would like to thank Longines most sincerely for their invaluable and ongoing support, which allows us to continuously set the bar for this series extremely high. A massive thank you also to the World Equestrian Center and their team, and all those who have dedicated their time, commitment and support to the successful running of the event allowing people around the world to engage first-hand with FEI Jumping.

To the athletes and their entourage, I wish you a fantastic event and the best of luck!

# CONQUEST CHRONOGRAPH

THE OFFICIAL WATCH OF THE  
2024/2025 LONGINES FEI JUMPING  
WORLD CUP™ NORTH AMERICAN  
LEAGUE IN OCALA

The 2024/2025 Longines FEI Jumping World Cup™ North American League in Ocala is the perfect occasion to present the new Longines Conquest Chronograph model. This automatic watch combines sporty elegance with robustness for everyday use. Available in a range of colours and materials, this timepiece effortlessly adapts to any occasion.

## THE EVERYDAY WATCH

Elegance isn't reserved for special occasions. The ultimate every day watch, Conquest says it loud and clear. An evocation of daring and of creative spirit, the collection was the first Longines watch line to have its name protected, in 1954, by the Swiss Federal Institute of Intellec-

tual Property (IPI). Over time, the Conquest line has evolved in terms of design and technology, while remaining true to its original spirit, a blend of boldness, timelessness, and sporty elegance.

This chronograph model is driven by an exclusive Longines self-winding mechanical movement equipped with a silicon balance-spring and new components made of non-magnetic material. Presented in a 42 mm steel case water-resistant up to 10 bar (100 m), it features a snail champagne sunray dial with rhodium-plated hands and applied rhodium-plated hour markers and Super-LumiNova® treatment at 3, 6, 9 and 12 o'clock. The sub-second dial and the counters are in the same black colour as the ceramic tachymetric bezel for added contrast. The watch comes with a stainless steel bracelet or rubber strap.
