## **MANAGEMENT AND CONDITIONS**

Management reserves the right to cancel or combine classes if warranted by insufficient entries warrant. Management also reserves the right to refuse any entry or move classes as deemed fit.

**Arena Horse Shows, World Equestrian Center, organizers, officials, volunteers and workers of the Summer Series Schooling Shows will not be held responsible for accidents, thefts or injuries to rider, horse, guest, spectator, groom or equipment at the show.** This will be a condition of entry to the showgrounds.

**PARTICIPATING RIDER CODE OF CONDUCT** – Arena Horse Shows expects appropriate behavior from all riders, trainers, spectators and others participating in any WEC-sanctioned or supported event. Inappropriate behavior may include, but is not limited to: possession, use or distribution of any illegal drugs; profanity, vulgar language or gestures; harassment (i.e., using words or actions that intimidate, threaten or persecute others before, during or following WEC activities); failure to follow rules; and abusing a horse. Reports of inappropriate code of conduct may be made at any time to the Show Manager via email, text, phone call or in-person. Any verbal or physical act of discourtesy toward a judge, show official, show staff or Arena staff member on the part of a trainer, owner, rider, handler, groom, family member or person associated with an entry is a violation of the Code of Conduct. Persons found by show management to be in violation of this Code of Conduct will be unable to participate in the remainder of the show and will forfeit all fees and awards from previous classes and divisions.

### **RIBBONS AND AWARDS**

Eight ribbons will be offered in each class. Champion and reserve champion will be offered in each division. Riders earning the championship of their division will be allowed to choose one award from the “Champion Store” located in the vet building behind the outdoor main hunter ring. Prize money will be applied to your final invoice provided you have a W9 on file. Any credit will be transferred to your next show or sent by mail within 30 days of the conclusion of the show.

### **POLING**

Manual poling and use of bamboo offsets are prohibited at all times on the grounds of World Equestrian Center. In the event of a violation of this regulation, the involved horse and its trainer of record as indicated on the entry form will be suspended from further competition.

### **JUMP ORDER**

A random jump order may be established, at the manager’s discretion, for all jumping classes. Riders who anticipate a conflict must arrange their order of go with the gate person as soon as a possible conflict is known. In lieu of a posted order, it is the responsibility of the trainer and rider to construct a plan with each ingate.

**RINGS** – We will be using the outdoor rings.

### **HUNTERS**

Courses will simulate fences found in the hunting field such as brush, stone walls, in-and-outs, oxers, post-and-rails, gates, aikens, and panels. In some classes, the area of the courtesy circle may be restricted in the ring. This would be demonstrated using a dotted line. All classes are to be judged on performance and soundness unless otherwise specified. Championships will be given in all divisions with three or more entries.

In all under-saddle classes, horses will be shown – both directions – at the walk, trot, and canter. Light contact with the horse’s mouth is required. Martingales are not permitted.

### **PLEASE NOTE**

- Braiding is not required and should be discouraged
- Under saddles and flat classes will not be held up for trainer conflicts. It is the riders’ responsibility to be at the ring when the class is opened. Management and staff are not responsible for missed flat or under saddle classes.

- Horses competing in classes in which they were not previously entered will be required to pay a double entry fee for those classes.
- A processing fee of \$50 plus collection fees will be made for any nonnegotiable checks.
- Non showing horses will be required to pay a fee of \$75 in addition to stabling charges and an administration fee regardless of the reason.
- There is no scratch fee if done online OR in the show office prior to the completion of the respective class, after that point, classes become nonrefundable. Show management recommends you enter all classes in which you might show then scratch what you decide not to do.

Air vests are allowed (and encouraged) in all disciplines. For Hunter and equitation classes, judges are instructed to not deduct points for the use of an air vest. Please understand the show will not be delayed in order to reset the air vest. Riders who choose to wear air vests are therefore strongly encouraged to have spare equipment (air canisters, tethers, and entire vest) ringside so that the vests that have been inflated can quickly be returned to operation. Air vests are permitted without a show coat ONLY if being worn with a color matched, long sleeve, collared shirt.
