Horses not in compliance with this rule may be required to leave the competition grounds upon request by Competition Management. Documentation should consist of one of the following methods mentioned below.

1. The frequency of vaccine administration should be per the vaccine manufacturers' or veterinarian's recommendations. It is recommended that vaccines are administered by or under the direction of a veterinarian. 2. In the case of vaccines administered by a veterinarian, the exhibitor, upon request by Competition Management, must provide documentation from the veterinarian on documenting that the horse in question received the vaccinations; name of the vaccines and date of vaccine administration. 3. In the case of vaccines administered by a person other than a veterinarian, the exhibitor, upon request by Competition Management, must provide a receipt of the vaccine purchase which is signed by the owner, or agent with care, custody, and control of the horse; name, serial number and expiration date of the vaccine, and date of vaccine administration. 4. In the case of a horse that is unable to receive either of the vaccinations due to a history of adverse reactions, the exhibitor, upon request by Competition Management, must provide a letter from the veterinarian on official letterhead stating that the horse in question cannot be vaccinated due to medical concerns and a log of temperatures taken twice daily for the seven days prior to entering the competition grounds. These horses must also have their temperature taken and logged twice daily while on the competition grounds. The log of temperatures should be provided to the Competition Management, steward, or technical delegate when requested. 5. Competition Management may not amend or enhance vaccination requirement without prior approval of the Veterinary Committee. To streamline the verification and tracking of horse health records, WEC – Ocala is partnering with Equi-Trace® EventPass, the official verified Horse Health Records provider of US Equestrian (USEF). See page 13 for details.

**Courtesy Circle:** In some instances it may become necessary to restrict the area of the courtesy circle by a mandatory line. If implemented, it will be clearly marked on the course chart and a corresponding barrier will be erected on the course. A public announcement will also be made.

### Enrollment Policy

- Horses must be enrolled to participate in the USHJA International Hunter Derby, to be eligible for Regional Awards, to be included on the USHJA IHD Money Won list and to compete in any Derby Championship.
  - Upon enrollment in the Derby Program, horses' earnings, from date of enrollment forward through November 30, 2025, will be included on the USHJA International Hunter Derby Money Won list and count toward Regional Awards. Horses must be enrolled in the program before competing in a Derby, if they wish the money won in that Derby to count toward standings, regardless of the start date of the competition.
  - Money (and points) won by horses not enrolled in the Derby Program will not be included on the USHJA International Hunter Derby Money Won list or Regional Award Standings.
- Year End Regional Award Standings
  - Owners must declare their horse's region upon enrollment of the horse and the region may not be changed during the Derby Series year.
  - Owners may choose one region in which to declare their horse(s); the region declared does not have to be the owner's home region.
- Annual Enrollment Fee
  - \$450 and enrollment begins on December 1 of current year.
  - Horses may only be enrolled online and it is the exhibitor's responsibility to enroll a horse in a timely manner in order to be eligible to receive credit for money won. There will be no exceptions allowed regarding enrollment dates for program eligibility.
- Non-enrolled horse fee
  - \$150 per horse entered in an International Hunter Derby without current enrollment. There is no limit to the number of IHDs a horse may compete in without enrollment. The non-enrolled horse fee applies to every IHD entered unless/until enrolling. Any non-enrolled horse fee paid does not credit towards an enrollment fee for the current competition year.

### Stabling/Schooling

- All horses competing in the Derby class must be on the competition grounds a minimum of 24 hours prior to the start of the first round of the class. All horses will be monitored and must remain on the competition grounds until the horse is finished competing in the Derby class. Any horse that leaves the competition grounds prior to completing its participation in the Derby class is disqualified.
